

# Defining a speed and quality-driven future state for the 2023 gaming transformation

**October Glimpses**  
NEWSLETTER

“ Aavega aims to keep the workforce and customer experience as the primary operating model. Our employee happiness model ensures that every Aavegan is a happy Aavegan. You, Aavegans, constantly push boundaries and deliver your best every day for the team's success. To envision successful business results, we as a family continue to win big, navigating through our proven execution models, a unique gaming approach, and expert teams. ”

-Maddy  
Director- Aavega Interactive
